Abstract
      Cemetery records and resources contain valuable information about cemetery locations, people buried at various locations, and important dates related to the buried and the cemeteries.

Scope and Content
      The Miscellaneous Cemetery Records and Resources record group is composed of records regarding some Michigan and Vermont cemeteries, including transcriptions and gravestone records. The collection also includes transcriptions and a magazine from the Daughters of the American Revolution (DAR) containing grave information of Revolutionary War soldiers.
