Notes: Citation Style: "Pere Marquette Railroad," Record Group 27, Archives, Plymouth Historical Museum

Abstract

As Plymouth developed the need for centers of community social gatherings, areas for market and trade as well as places for family recreation arose.

Scope and Content

The Plymouth Parks collection is composed of correspondence, clippings, photographs and other materials related to the use of and development of Plymouth city and township parks. The majority of the collection includes photos, newspaper articles and correspondence covering programs or activities on or around the park areas.
